## ABOUT SACRAMENTO NARI'S EDUCATION FUND

### Who is NARI?

As the voice of the remodeling industry, NARI has an inclusive, encompassing purpose; to establish and maintain a firm commitment to developing and sustaining programs that expand and unite the remodeling industry; to ensure the industry's growth and security; to encourage ethical conduct, sound business practices and professionalism in the remodeling industry; and to present NARI as the recognized authority in the remodeling industry.

Members of NARI are full service contractors, design-build firms, architects and designers, manufacturers, suppliers, trade contractors, lenders and other related professionals who work in the remodeling field.

In 2001 the Chapter began designating a percentage of all proceeds from its activities to be used for start-up funding for an educational foundation. This Foundation has been formed and scholarships dispersed. Chapter volunteers have begun discussions with local schools, school districts, and technical schools to determine how our Foundation can be of assistance. Student scholarships will be awarded and grants given to deserving students and schools/programs – all with the goal of helping those who wish to enter the construction industry. Members of this program will also develop and present classroom presentations and activities geared toward educating students about the remodeling industry.

### PURPOSE OF GRANT

Realizing that many classrooms today are facing shortages in funding, the NARI Education Fund will issue grants to classrooms that have dedicated construction related curriculum or projects.

### CRITERIA FOR AWARDING GRANTS

Funds are to be used to enhance ongoing educational awareness, at the high school level, of the construction industry in general.

### APPLICATION

Submit application and all attachments to the NARI office.

### BASIS FOR AWARD

- Quality of written proposal
- Construction based program
- Projects completed
- Facilities /site visit
- Plans for fund (as relates to program budget)
- Curriculum

### GRANT ALLOCATION

Maximum award: \$2500. Amount funded will be dependent upon budget submitted and criteria being met.

**Promoting construction education
